## **FCI transitions to Fulgor**

Beginning in the summer of 2008, FCI launched their re-branded line now named [FULGOR USA](#). The new line offers American and Canadian consumers a broader range of luxury kitchen appliances, including various models of Built-in Ovens, Cooktops, Microwave Ovens, Dishwashers and Outdoor Grilling products.

Fulgor offers 3 different luxury series starting with their top leading line, the Leonardo Classico (700 series); the 500 series providing the same technology as the Leonardo Classico; and the 300 series, a line of simple elegance. Fulgor USA is a division of Fulgor Europe S.p.A, founded in 1949. Fulgor has been a leader in premium cooking appliances for almost 60 years.

Pacific Specialty Brands is in the process of introducing the new line to dealers and consumers in the coming New Year.
