SYNOPSIS

Each year, *Design Journal* magazine recognizes superior product design through the Awards for Design Excellence (ADEX). This year, Fulgor Milano is proud to announce that Platinum top honors were awarded to the 300 Series Cooktops and 300 Series wall ovens and Gold honors were awarded for the 500 Series wall ovens.

PROFILE

The Awards for Design Excellence (ADEX) is an annual awards program sponsored by *Design Journal* magazine, recognizing superior product design. A panel of distinguished industry professionals evaluates and judges products based on several design categories and selects the overall winners.
