February 2008

[Liebherr](#) is introducing a new refrigerator this year. The 36" Bottom Mount Fridge/Freezer comes in a stainless steel or integrated model. The two models (CS2062 and HC2062) will be available mid-spring 2008. Both are energy-star qualified (452 kWh) to help keep a greener environment. The fridge capacity is 13.5 cu ft (382 L) and two separate bottom freezers total 6 cu ft (170 L).

**Model: CS2062**
