May 2008

[Faber](#) has expanded its product selection. The new hoodfans (Tender, Orizzonte, Jewel, Velvet, and Dama) are not only a great way to help keep the environment [GREEN](#) but add beauty to your kitchen. It's no surprise that [Faber](#) won the [ADEX Award](#) for two of their hoods, the Velvet and Orizzonte. In addition to new products, Faber has also added new sizes on existing products (Stilo 30" and 48", Stilo Isola 48") as well as more products in 280 cfm (Dama 30" and 36", Dama Isola 36").
